

The diagram illustrates the layout for a 1" x 1" sticker. It features three concentric dashed lines: an innermost blue line, a middle magenta line, and an outermost black line. Three horizontal lines with labels point to these lines from the left: a blue line for 'SAFE AREA', a magenta line for 'TRIM', and a black line for 'BLEED'. The text '1" X 1" STICKERS' is located at the bottom of the diagram.
